Re: Thanks and our move in process

Dear Dan,

I just wanted to send you a quick note to thank you and your staff for an incredibly hassle-free transfer process. As I am sure you are aware we have had our share of storage problems in the past, but File Vault really made this process run far smoother than we expected.

Since our initial file transfer we have had the opportunity to work more with your team and your electronic transfer/retrieval system. Both the staff and system in place have been incredibly easy to work with. In our business it is very important that simple tasks do not take up a great deal of our time and I am happy to say File Vault has taken what was a very time consuming process and made it simple and efficient to deal with.

I can whole heartedly recommend File Vault for any companies storage needs.

Thank you all again for making this a painless process.

Very truly yours,

ADAMS EVANS P.A.
